Discussion Board 4

Provide at least three sentence answers to the opinion questions.

Read along the excerpt and fill in the blanks. Notice the difference between a quoted and a paraphrased sentence when citing. Students may only use the book as a source. Provide the book citation and page cite for each idea pulled from the book. There are examples available on Blackboard on how to cite properly. Submit on blackboard in preferably word document or pdf. Any other form will not be accepted. You can also email me if you are not able to submit on blackboard. Due Sunday, November 21, by 11:59 p.m.

- **Chapter 7 The Commerce Power after A. L. A. Schechter Poultry Corp. v. United States (1935) under heading The Switch in Time that Saved Nine – Box 7-5 Excerpts from the White House Broadcast, March 9, 1937. (Page 440-443).**
- **Question 12: Chapter 7 book under heading "The Switch in Time that Saved the Nine" where the excerpt is found. Read all the paragraphs within the heading.**

Make sure you read along the excerpt to help you fill in the blanks.

Part 1

1) "The three horses are, of course, _____. _____ of the horses are pulling in _____ today; _____. (page ____)."

2) "When the Congress has sought to _____, _____, _____, _____, and in many other ways to server _____, the Court has _____- and to approve or disapprove the public policy written into these laws… (page ____)."

3) "The Court…has _____ set itself up as a third _____- a super-_____...reading into the Constitution _____, and which were never _____ (page ___)."

4) (Opinion) Why do you believe that Roosevelt called the court a "super-legislature?" (Look at question 2 and 3). Explain use the above information.

Part 2

5) Under this proposal, the President _____ and the _____ approves the new judge or justice.

6) The second purpose for this plan is to bring decisions of _____ and _____ problems to _____ men (page ____).

7) Roosevelt proposes to establish a law where when a _____ reaches the age of _____, a new and _____ judge must be added to the Court _____ (page ____).

8) (Opinion) Does the procedure for appointing these new justices constitutional (question for #5)? Yes or no. Do you see the second purpose of Roosevelt's plan relevant today in the federal government? Why? Explain. Notice how the president is targeting age.

Part 3

9) Roosevelt stated that he would not _____ and the _____ would not confirm justices that behaved like _____ors (page ____).

10) "The _____ has always had, and will have, that power. The number of _____ has been changed several times before (page ____)."

11) It is in the public interest to have a judiciary that is _____rous, and it is the intention of public policy to provide for a _____ flow of new and _____ blood into the judiciary (page ____).

12) (Opinion) Did this plea to the American people work, meaning did the Court change the way it decided the cases after this public announcement? Explain how it changed. How was the Court deciding these cases differently to after this announcement? (Read all the paragraphs under the heading "The Switch in Time that Saved the Nine" in the book Chapter 7).
