Step	Step Description
5	Indentify and use good music to set the mood and tone.
6	
7	
8	

Reflection

What successes did you have?

I was able to accomplish the task.

What challenges did you face?

It was a bit complicated creating the explainer character. It was also cumbersome to use two softwares

What would you do differently?

I could have used full body animation.

What did you learn as an artist?

It was a wonderful experience creating the explainer character.
