

GREAT WORK!

Print this

Formal	Furthermore, Shelley highlights the Prometheus myth to draw attention to the novel's theme.
Formal	It's important to use proper spelling and grammar when writing an essay.
Formal	Following the scientific revolution, people feared science would advance too quickly and scientists would overturn nature's order.
Informal	frankenstein makes a cool monster just 2 see if he can
Informal	Victor Frankenstein is a crazy dude.
Informal	I'm pretty sure Frankenstein kicks the bucket in the end, but I'll have no idea until I finish the book.
