

**Need original work.**

**Part 1 (30%) Choose three questions and write a 3-5 line response.**

- 1.) Describe the functions of the three major institutions included in international Neo-Liberal development strategies.
- 2.) What is the major difference between an ecocentric and an anthropocentric vision of the environment?
- 3.) How does a Realist definition of metaphysical law differ from a Universal rights definition?

**Part 2 (70%) Choose two questions and answer in an essay format. Use, if necessary, topical case studies to make your case more clear.**

- 1.) Using the *Ghosts of Rwanda* as a point of departure how would you evaluate the role of the international community and the United Nations?
- 2.) What ripples in the modern day do you observe in terms of postcolonialism, slavery, and development?
