Summary & Critical Questions (20%)

To facilitate participation and foster critical discussion in class I will assign a number of students per meeting this brief assignment. Each person will only have to complete this assignment once. I will assign individuals to specific readings. Be sure to reference the Week Summary Assignments module on Canvas.

You will provide a single-spaced TYPED (12 Times New Roman font) SUMMARY of the readings you are assigned. Next, write down no less than 4 Key Terms that you find to be of interest. Please provide each key term’s source, page number and DEFINITION. Finally, develop no less than 5 questions from the readings. Questions should comprise in-depth attempts of trying to better understand the material you are responsible for.

This link is for online submissions. You will need to submit your homework assignments by 8pm on the Thursday of the week you are assigned. Failure to do so will result in a deduction of points from your overall assignment score.

REMEMBER, you are required to turn in your work the week it is assigned. This assignment is NOT due at the end of the semester.
