

Homework

Each student will be assigned a number. Use the information that corresponds to the number assigned when answering a homework question. Please show the calculations where appropriate. It is not sufficient to simply show the answer.

Natural Resource Restrictions Homework

Choose one of the states listed for the assigned number. For that state, determine the wetlands restrictions that apply and any state-wide zoning or other geometric restrictions that are meant to protect areas along water.

#	States to Choose From			
1	Alabama	Iowa	New Jersey	Utah
2	Alaska	Kansas	New Mexico	Vermont
3	Arizona	Kentucky	New York	
4	Arkansas	Louisiana	North Carolina	Virginia
5	California	Maryland	North Dakota	
6	Colorado	Massachusetts	Ohio	Washington
7	Connecticut	Michigan	Oklahoma	
8	Delaware	Minnesota	Oregon	West Virginia
9	Florida	Mississippi	Pennsylvania	
10	Georgia	Missouri	Rhode Island	
11	Hawaii	Montana	South Carolina	Wisconsin
12	Idaho	Nebraska	South Dakota	
13	Illinois	Nevada	Tennessee	Wyoming
14	Indiana	New Hampshire	Texas
