

360 Feedback Survey Example 2

Each survey is customized to include your company logo, instructions, and questionnaire items.

ABC Global 360-Degree Feedback

Rater: [Your Name][Your Name]

You are providing feedback to: [Participant Name][Participant Name]

Instructions

You have been selected to provide feedback for the manager listed above. Your feedback is an important part of our company's leadership development process. This tool is intended to gather broad feedback in the core competencies and role responsibilities that are important for the on-going success of our organization.

In responding to the assessment form, please think about your experiences working with this individual during the last twelve months. Your responses will be merged with other's feedback and presented to [Participant Name][Participant Name] to guide them in their on-going development. Comments will be shared anonymously as written with the manager, unless you indicate otherwise.

Method of use: As part of the annual appraisal process, leaders receive feedback from peers, subordinates, customers and supervisors. It is recognized that not all participants will be able to assess an individual's performance in all areas. The feedback received will be utilized as input to the individual's annual appraisal and development plan.

How do you feel [Participant Name][Participant Name] exhibits the following ...

Interpersonal

Every aspect of the survey can be customized including items and response alternatives.
