APA

Formatting/Grammar

0 to 16 points

APA/grammatical errors regularly occurred throughout the paper and made it difficult to understand the author's position. References were not used to adequately support arguments.

17 to 21 points

The paper included enough APA/grammatical errors to influence the clarity of the paper. References were used to adequately support arguments.

22 to 27 points

The paper included few APA/grammatical errors. References were used to sufficiently support arguments.

28 to 33 points

The paper adhered to all APA standards and included no grammatical errors. References were effectively used to support arguments.
