

ARTS 1110 Essay #1 Topics

Stage One: Review chapters 1-3 in the textbook and write a 500-word argumentative essay that answers one of the questions listed below. Be sure to cite the textbook or the lecture slides in your essay.

Stage Two: After receiving feedback on your 500-word essay, write a 1500-word argumentative essay on the same topic. Be sure to use a *minimum* of *two additional* academic (ideally peer-reviewed) sources in your 1500-word essay.

1. How can metacognition aid university students in improving their learning and academic performance?
2. Why is active learning more effective than passive learning?
3. Why is important to consider the differences between the three modes of transfer when studying for exams and tests?
