The American Dream and Promise Act

¹
Dyson, M. R., & Weddle, D. B. (2009). Our promise : achieving educational equality for America's children : selected essays and articles. Durham, N.C. : Carolina Academic Press.

The book discusses about equality in schooling and enjoying of public services regardless of the ethnicity. The book puts focus on fulfilling the American dream of attaining equitable and inclusive society. It sheds light on the efforts that has been there towards attaining and passing of ⁴ the American dream and promise act hence becoming a crucial book to consider in the research.

²
Richardson, E. (2019). The Pursuit of Happiness: How Wealth Inequality Undermines Core American Values (thesis).

The article elaborates on the efforts to enhance pursuit of happiness through income mobility irrespective of the economic lass that one was born in. this brings in access of resources where some people are restricted due to their ethnic background. Going through the article helps to understand when and why the American dream and promise act started developing roots up to its enactment to remove barriers to income mobility due to ethnic issues.

³
Wahabzada, T. (2019). No Need to Deport Me. This Dreamer's Dream. The New York Times.

The article from New York Times discusses the problems than immigrants face due to the failure of passing the American dream and promise act in 2010. Thus raises an alarm on the need to pass the act and the benefits that the United States can incur. Therefore, it becomes

informative on the history of the act and where the nation is heading as a result of passing the act.

Natalie, A., & Duchren, A. (2019). House Passes Bill Aimed at Protecting Immigrants Brought Illegally to U.S. as Children. The Wall Street Journal.

The source is informative on the need to grant young immigrants temporary citizenship of 10 years. This comes from the problems they are facing in the United States and have to be solved in order to achieve the American dream. The resource becomes essential towards the research since it outlines the requirements that one has to meet to be given citizenship of the United States.

Human Rights Campaign.org. (2019). American Dream and Promise Act.

The website discusses at length the American dream and promise act and what it entails. By the article elaborating on some aspects such as the number of undocumented immigrants, the reader is able to familiarize the problems they are going through. The resource therefore becomes essential in understanding the need of documenting the immigrants and granting them citizenship.

Baldado, A. G. G. (2019). The American Dream and the Filipino College Student.

The article concentrates on the life of the Filipino students and the American dream. It goes ahead to discuss their expectations of which most of them are immigrants. Getting to know the situations they go through helps the reader to know the real importance of passing the American dream and promise act hence coming out as an informative source towards understanding the actual factors that contributed to the passing of the act.
