budgeting tools
to provide useful
information.

Faculty Comments:

Not bad for first attempt.

Please make sure that you follow the guidance that I posted for this assignment. Please refer to a template Excel file that I have posted. I have attached it to an announcement. There is also a Word file that contains instructions for this assessment. Please do NOT change the overall layout and design of the template. When you resubmit, please make sure that you highlight or color the new/revised sections.

COMPETENCY 2

Analyze financing strategies to maximize stakeholder value.

CRITERION

Evaluate the capital projects using data analysis and applicable metrics that align to the business goals.

Your result: **Basic**
