

## Leadership

### Assignment 1: Guideline/Rubric for Understanding/Writing about Oneself/Yourself

#### Assigned Articles

Managing Oneself by Peter Drucker, What Makes a Leader/Emotional Intelligence by Daniel Goleman

Students are to write a paper about themselves using the articles, class lectures, presentations, and videos as a guideline. This paper should be very personal; hence, students are encouraged to start sentences with the personal pronouns “I” and “My”. Example: I like working in groups, my strengths are that I have a high interpersonal intelligence. Please write about personal experiences and how these personal experiences are related to the assigned readings, lectures, presentations, and videos. Remember, if one can understand oneself, one can perhaps better understand others and be better leaders.
