

BL203 Lab Results for Lab # 7

Serial dilutions were carried out as outlined in Option A page 72 of the manual.

Then 1 ml of the following six dilutions (instead of the five mentioned in lab) were plated giving the following results, see image:

Plates left to right and dilutions

Left to Right top row dilutions of plates:	10^{-2}	10^{-3}	10^{-4}
Left to Right bottom row dilutions of plates:	10^{-5}	10^{-6}	10^{-7}
