

ENTREPRENEURIAL DECISION

A1 A2 P3

BTN 2-7 Assume that Brittany Merrill Underwood of **Akola Project** plans on expanding her business to accommodate more product lines. She is considering financing her expansion in one of two ways:
(1) contributing more of her own funds to the business or (2) borrowing the funds from a bank.

Required

Identify at least two issues that Brittany should consider when trying to decide on the method for financing her expansion.
