
BUSN1015 – Foundations of Finance

Assignment - Semester 1, 2020

Required Team Task:

1. Team Formation:

On FLO please click the link ‘**Self-selection to form teams for assessment 2**’ and select the group to register with minimum 2 or maximum 5 members in your team (members can be: within or/and outside your tutorial group). You are free to join and exit the group. The group entry and exit will be restricted at a later stage, meanwhile you are free to choose your group members.

2. Locate any finance article your team have understood the best relating to any one of the relevant Finance concepts:

Relevant Finance concepts for the purpose of this assignment would be:

- Time Value of Money
- Bond Valuation
- Equity Valuation
- Risk and Return
- Risk, Return and CAPM
- Capital Budgeting & Decision Criteria

Articles can be selected from financial websites for example could be Financial Newspapers, Financial Journals, ASX website etc.

3. Once you have selected your article, write a report answering the following questions:

1. What is the title of your article, who is/are the author/s, when was it written?
2. Where and when did you find the article, provide a link to the article?

3. Write a brief summary of the article in your own words.
4. Do you agree with the author's point of view? Give your opinion.

- Due Date: May 10th, 2020
- Submission on FLO assignment submission drop box link
- Word count: 1000 to 1500 words
- A bibliography detailing all reference materials used in this assignment is expected to be included to support your assignment.
- Kindly note that it is not acceptable to simply 'cut / click and paste' information directly from the resource materials (including the internet) to produce a response to your assignment. The submitted assignment need to be in your own words.
- For additional queries please contact your tutorial faculty for guidance.
