

Success Plan for C228 KLP1 Task 1

	<p>Task 1 involves a Simulation Experience where students will collect data and develop a community care plan.</p>
<p>Step 1</p>	<p>View task Directions and download documents/assessment tools through your Course of Study under “Assessments”. The assessment tools can also be found in this “success plan” (under Step 3).</p>
	<p>The tools will be addressed further in Step 3. **you do not need to track sim hours or spend 20 hours in sim-after task passed-- hours awarded**</p>
<p>Step 2</p>	<p>Complete Sentinel City Action Report (12 Designated Pictures)-- (Rubric Section A)</p>
	<p>Go to the Course of Study and click on the Course Materials tab. Once in Course Materials click on 6.1 Simulation: Sentinel City:</p>  <p>Follow instructions for Starting and driving through Sentinel City.</p>
	<p>Once in Sentinel City you will take pictures of the following 12 designated sites:</p> <ul style="list-style-type: none"> • Interfaith Church of Sentinel City • Better Health Clinic • Sentinel City Department of Transportation • Sentinel City School District • ABC Daycare • Sentinel City Affordable Housing Project • City Hall • Radio BUZZ 96.5FM • Sentinel City Healthcare System/Sentinel City Hospital • Lilly's • Joe's Grocery • Sentinel City Department of Parks and Recreation
	<p>Each picture should include the signage (if available--Parks & Rec and the Church do not have signage).</p> 
	<p>Once you click to take a picture “click on camera icon” will appear.</p>

Click camera icon above to take photo.

Once click on camera icon-- a text box will pop up. Do not write anything in the textbox (unless you need to identify a building without signage). Click **Download** and **Yes** as displayed below::

Your pictures will be saved to your computer as a “photo journal”. You will upload this as a separate pdf document with your completed paper.

Step 3

Complete the 4 Assessment tools (these were mentioned in step 1) by touring Sentinel City Demographic Assessment (1), Neighborhood Community Safety Inventory (2) and Population Health Scavenger Hunt (3) combined are in one doc (click [HERE](#)) Windshield Survey (4) (click [HERE](#)); only need to answer between 50-75% of questions for the windshield survey
Please answer this section , as well as all section, in a narrative, paragraph APA format

*****Tools to be used for report--not to be submitted

Now you are ready to collect data and write your paper!

Step 4

Download Template for paper to assist with writing
This is located under course search on the course main page

Step 5

Complete a needs-assessment to determine the health needs and risks of the virtual community in Sentinel City™ (**Rubric Section B**).
In your paper you will write up the data collected using the 4 assessment tools.
After every paragraph in “Needs Assessment” cite Sentinel City. Ex: (SentinelU, 2020)

Step 6

Analyze the collected data (Section B1)
Interpret the data collected from the 4 tools using concepts of epidemiology and health determinants. Note 4-5 items. For example, did you note a lack of green space? If so, how can this affect the health of the community? **Support this data using epidemiological data such as the incidence/prevalence/percentage of the problem**

Step 7

Identify 3 Problems for Sentinel City (Section C1)
Identify **3 top health problems (from B1)** and state the **Healthy People 2020 goal OR objective** that addresses each problem. Click here: [list of Healthy People “topics”](#)
Once you select topics that apply to your problems, click on each topic to view the “goal or the green box for objectives”.

	In your paper you will write something like this: The first problem identified is (state problem). The Healthy People 2020 goal/objective to address (problem) is (State HP 2020 goal) q. The next problem...
Step 8	Discuss Community Resources (Section C2) For one of your problems in C1 state the community resources Sentinel City has to address the problem. Note at least 2 resources you found.
Step 9	Primary Prevention Topic (Section C3) Take your problem chosen in C2 . State 2-3 things you would do, as a community health nurse, to prevent the problem. utilize the Primary Prevention Topic List to determine the main topic (click HERE)
Step 10	Reflection (Section D) Discuss how you will apply the assessment strategies you have learned from the simulation environment to your community assessment strategies in your community. This should be a paragraph on what you learned that you will apply when you complete a community assessment in your community. For example, I learned I can speak with... to learn....
Step 11	Submit Work Upload "Action Report" PDF pictures (Photo Journal) Upload paper; check your originality score prior to uploading. If it is higher than 30%, you need to re-write and/or contact the writing center to help you with this.
Tips	Include in-text citations and references. If you need assistance, please contact the writing center! Reference for Sentinel City: SentinelU. (2020). Sentinel City-Community Health Simulation [Computer software]. Retrieved from https://sentinelu.com/educational-simulations In-text citation for Sentinel City: (use in section B—generally after each paragraph) (SentinelU, 2020) Reference for Healthy People 2020: Office of Disease Prevention and Health Promotion. (2020). [State title of page]. Retrieved from [Specific URL]. You will have THREE references; one for each URL. In-text citation for Healthy People 2020: (use in section C1—after each goal is presented) (Office of Disease Prevention and Health Promotion, 2020) Reference example if STD is topic: Office of Disease Prevention and Health Promotion. (2020). Sexually transmitted diseases. Retrieved from https://www.healthypeople.gov/2020/topics-objectives/topic/sexually-transmitted-diseases .
