

Unit 7 Assignment: Final Reflection

Due Date: Friday at 11:59 pm EST, of Unit 7
Points:100

Overview:

In your final assignment, you will submit a reflection paper on your engagement with the course and the concepts, as well as practical applications, you have learned and demonstrated.

Instructions:

- Establish a baseline based on prior knowledge before taking this course:
 - What did you know about the Windows OS?
 - What was your experience working in the system?
- Consider the present and describe your experiences working in the course:
 - Explain your successes in grasping applying the skills presented.
 - Explain the challenges you met in applying these skills and how you overcame them.
- Look to the future and describe where you are going from here:
 - How does what you've learned amplify the skills you present to your current or future employer?
 - What have you learned that help increase your overall level of confidence in this field?

Requirements:

- 5 pages, double-spaced, Times New Roman 12 pt font.
- APA formatted pages, in-text citations, and APA formatted reference page(s).

Be sure to read the criteria by which your work will be evaluated before you write and again after you write.
