*You can seek help from HCC librarian on APA and looking up online references.

Peer Evaluation of Plan for Community Care Project

Instruction: Please indicate the degree to which your peer participated in the plan for community care project. This may include the following activities: Attending group meetings, collecting data from communities, coming up with the paper, etc. Peer evaluations will be used to determine individual differences in grading students from the same group. Students who consistently receive low evaluations from peers may receive a lower grade than other members in the group.

<u>Name of Peer</u>	<u>Degree of Participation</u>				
	<u>Low</u>				<u>High</u>
