## Healthcare Career Reflection-HAP 414N Spring 2021

This reflection paper will be written about a healthcare career area or position or subset that you have chosen or will select or have an interest in. This should be a career area that you have considered, but not reviewed or written about. It can also be anything that you have an interest.

### Reflection Requirement/Objectives

1) Introductory paragraph Introduce the reader to the healthcare related career you will be job discussing, and the types of research you have completed (the internet, and a book other sources). You will also clearly establish what your reflection is about and provide a preview to the paper.

### Include in the paper: Career Description - Include the following information:

- Overview and title of career/position and setting/environment. What is this career?
  - o Administration duties.
  - o Managerial duties.
  - o What field in healthcare: Hospital, clinic, supply chain, policy, specific department etc.—describe where this career is in healthcare. Is this an emerging career? Is this a growth career?
- Common and specific work activities (what does the position/career entail)
- Skills and abilities required
- Preparation (training, qualifications)
- Outlook for the job (career)
  - o Number of opportunities

### Aspects of the career that interest you:

Why are you interested in these careers?

Describe the parts of the career that interest you the most

What are some key positive attributes of the positions?

What education and/ or training are required?

What education and/ or training are required? Compare.

**Reflection: Write the reflection.**

### Summative Reflection

•What did you learn that surprised you about these careers?

•What skills are going to have to be built on to succeed in this position or career?

### Evaluative Reflection

•What are the strengths and weaknesses your current education that you need to be aware of for this position.

•Reflect on a path to get this position: What might you do to best get this position.

Paper format must include the following:

#### 1. **Title page/**

2. Introduction with clear purpose, preview and direction for the paper.
