### **Assignment details:**

Write a summary report of your experience. This summary must be typed, double spaced, and 2 – 5 pages in length. This is an individual assignment, every student must hand in their own individual report and you cannot copy or share work. Copying, plagiarizing, or otherwise reproducing each others' work will result in a failing grade for all the papers involved.

Your summary should include your personal thoughts and opinions on the proceeding you observed. This is a critical thinking assignment; tell me what you thought about the process, was it interesting? Boring? Frustrating? A summary that includes only the agenda of what happened, with no personal reflection, will not receive full marks.

There were Informal Hearings for 4 different applications during the March 23, 2020 meeting. For at least 2 of those applications, answer the following questions:

- 1) What is the applicant asking for?
- 2) What was the Council's decision?
- 3) Do you agree or disagree with Council's decision? Why?
