

Descriptive Stats Project Submission Instructions

Submit this Project as a well-formatted Word document.

- Graphs and tables created in SPSS should be pasted into the appropriate location in your Word document.
- Make sure to change the size of your graphs so that they fit nicely into your document.
- Save your Word document as "DS Project" followed by your initials and your Excel document as "DS Project data" followed by your initials.
- Attach both your Word document and "clean" Excel data file with your submission (no PDF or ZIP files).

This project is worth 20 points towards your final grade. It is due on Sunday, June 30 and late submissions will be marked down 1 point for each day late. I will only accept late submissions until Friday, July 5.
