

****This project is due Thursday by 9pm. Please do first****

Think about ways in which inequities of (race, ethnicity, and gender) are institutionalized. Examine either a racial/ ethnic group or a gender/ sexual orientation group through the lens of institutionalized discrimination. Describe the type of discrimination and why it is “institutionalized” and pose a reason for its existence.

Journal: Creating a Letter of Intent

Social problem- Mass Incarceration

1. To what organization or funder would you like to write? Explain how this organization may help solve your specific social problem.
2. What “ methodology” or solution are you proposing?
3. What social theory or (theories) relate to your chosen social problem? Explain how this theoretical framework informs your proposed solution.
