

Assignment: Open House Multimedia Presentation (Due: Week 5)

The purpose of this assignment is two-fold:

- (1) to increase one's knowledge base in the use of technology, and
- (2) to apply the use of technology to practical real- life situations.

This assignment will provide the student with an opportunity to enhance personal skills and proactively plan for the first weeks of school.

Requirements

To complete this project, it will be necessary to:

1. Access a PowerPoint computer program or Prezi.
2. Acquire the necessary skills to produce a minimum of six slides.
3. Develop the slides for the traditional school "Open House" (or parent orientation presentation) held during the first few weeks of school.
4. Create the slides for a presentation to visiting parents.

You must address:

1. Beliefs and Expectations
2. Curriculum Overview
3. Instructional Strategies
4. Daily Routines
5. Behavior Management (include rules, consequences, and rewards/incentives)
6. Home-school Connection
