

# Essay #1: Critical Response

## Assignment Outcomes

- Understand the concept of the rhetorical situation and identify its basic components within a written argument.
- Identify the central argument, supporting points, and organizational structure of a written argument.
- Identify and analyze rhetorical appeals and fallacies within a written argument.
- Develop a critical response to a complex, written argument.
- Effectively summarize, paraphrase, and quote source material using signal phrases (attributive tags) and parenthetical in-text citations (APA format).
- Construct a properly formatted bibliographical citation.

## Requirements

Length: 800-1,000 words.

Format: Follow APA guidelines.

Source Usage: Summarize, paraphrase, and quote from single source using signal phrases and parenthetical citations for attribution. Provide a full bibliographical citation for the source article.

Submission: Submit through Turnitin.
