Some questions to consider when writing your comparisons:

- 1) The name of the App
- 2) When was it created?
- 3) Is the App free?
- 4) Is there an upgrade available for a fee?
- 5) Does it create reports?
- 6) Is it easy to use?
- 7) Would you prefer using an App over writing your inventory down?
- 8) What is the apps best feature?
- 9) What is the apps worst feature?
