

## Extra Credit: TedTalk Reflection

Due date: Sunday, April 18, midnight (on iCollege)

This is an INDIVIDUAL assignment.

Watch the following TedTalk, then submit a **1.5-2 page** (double-spaced) paper. (The heading & title of your paper is NOT part of the page requirement.) You can earn up to **10 extra credit points** for this assignment.

There are no prompts. This is a **reflection** paper. I am interested in **your thoughts and opinions**. Some ideas: Which part of the talk had the most impact on you? Which part do you agree or disagree with? What is your “take-away” from this talk for your future life/career?
