

Final: Please answer the following questions in your own words. You may use the textbook, primary sources, or any other sources but the work needs to be your own making sure that all sources are legit. You will be submitting the work here on Canvas, but Canvas will run it through Turnitin which will check for the authenticity of your work, so please use your own words, do your own work NO PLAGIARISM. Please make sure each question is about 1 full page to 1-1/2 page for each. The final is due on February 14th by midnight-but don't put it off that late please :)

1. How did the Constitution address the flaws of the Articles of Confederation? Provide specific examples of the Confederation's shortcomings and how the Constitution proposed to address these flaws. Why were many opposed to the Constitution?
2. Summarize the key issues that faced the country under the presidencies of Washington, Adams, and Jefferson. What were the differences in approach between the Federalists and Republicans?
3. Describe the key events that led up to the Civil War. Start with the Missouri compromise through the inauguration of Lincoln and the first shots of the war at Fort Sumpter.
