

15.10 - Discussion Post - Final Thoughts about the History of Rock and Roll (and other popular music)

INSTRUCTIONS: Take a few moments and consider how your perception(s) has/have been changed and/or re-affirmed regarding the history of rock and roll (and other popular music) during this course. What are concepts you learned about that you weren't previously aware of? Did you discover that you enjoyed or appreciated other styles of music that you may have not given much attention to in the past? What will you take away from the reading, listening, music videos, song analysis/listening guides, and discussions from this course?

Make a post by/no later than Friday, December 11 by 11:59 pm. Your post should be roughly 1 in half to 2 paragraphs and **MUST** be in **your** own words.
