

Exam III:

This is your final exam and is *worth 10%* of your grade. This exam is due by **11:59 pm on Friday May 14th**. This exam will be submitted through Blackboard. There is **NO LATE WORK ACCEPTED FOR THIS ASSIGNMENT**. If you send it late, you will not get credit for your exam. **DO NOT BE LATE WITH THIS EXAM**

Your answer is to be in the form of one essay (Do not simple type out an answer to the questions). There is no minimum or maximum length required. However, you **MUST** answer the questions fully using complete ideas. I recommend that your essay be between 500 and 800 words. This is just a recommendation as I want full and complete thoughts and analysis. Your essay should be 10 or 12 font and use a standard style such as Times New Roman. You **MUST** include a reference page with this essay and your text must have in-text citation in the body of your essay. This is a college level essay and will be graded in that manner. Proper grammar, spelling, and punctuation is a must. You will be deducted points for improper use of grammar, incorrect spellings, and poor punctuation.

Respond to the question with a clear and **well developed argument**. Be sure to utilize specific information or examples to defend and support your argument and make connections when relevant.

Please answer the following question:

- 1. What is the role of government in your life? Discuss how the national government impacts your life today. Discuss how the national government should be in your life either ideally or hypothetically.**

Good Luck!
