

ECO 310 Guideline for the research paper critique

Follow the following format:

Abstract: Briefly summarize the paper in one paragraph

Strength of the paper: Describe the strengths of the paper

Weaknesses: Describe the weaknesses of the paper

Other comments: List any other comments you may have, including any grammar or English errors.

Note the length of the critique should be about 1 page single-spaced. It can be more than 1 page but **must not** exceed 2 pages single-spaced.
