

1. 0.833

2. 2.09

The sample mean is 2.09 standard errors above the population mean.

3. Reject = 1

4. 0.05

5. Made a Type I Error

6. 2.492

7. Single sample t test

8. Addition Theorem of Probability (for mutually exclusive events)

9. Single sample t test

10. 0.18
