Lab #8 - Lands at Hillside Farm

Field Trip

Lab Assignment

Each student is to submit a 2-3 page typed, summary (1.5 spacing, Times New Roman font, 12 point, 1 inch margin, double sided) of the information provided during the tour of the Lands at Hillside Farm.

- The Lab report is **due** at the beginning of the next week's lab class, **October 29-30, 2018**.
- The **Rubric** must be included as a **cover sheet** to your **lab write-up**. If the Rubric is not included, **10 points** will be **deducted** from your lab assignment final grade.
- **Late Submissions** will result in a **loss of 25 points**.

In your lab write up, please **restate each question/topic** (in bold) with your answer following each question.

The report should address the following questions:

- Explain the history of the Lands at Hillside Farm.
- Explain the current farming practices.
- Explain at least 4 "green initiatives" occurring on the farm.
- Do you think the farming practices of Hillside Farms can be done on a larger scale – why or why not?
