The background of the slide features a close-up, vertical view of a book's spine and its pages. The pages are aged and yellowed, with some text visible but mostly illegible due to the angle and lighting. A large, semi-transparent teal gradient overlay covers the right side of the image, providing a dark background for the white text.

Theme 1

The background of the slide features a close-up, vertical view of several book spines. The spines are made of light-colored material, possibly leather or cloth, and show signs of wear. Faint, dark text is visible on the spines, including words like "first", "illegal", "he", "ing", "pen", "little", and "me".

The background of the slide features a close-up, vertical view of a book's spine. The pages are visible, showing printed text in a serif font. A large, semi-transparent teal shape is overlaid on the right side of the image, partially covering the book's spine and extending towards the right edge of the slide.

Summary of Review of Literature Theme 3

The background of the slide features a close-up, vertical view of a book's spine and its pages. The pages are cream-colored with black text, which is slightly out of focus. A large, dark teal gradient overlay covers the right half of the image, creating a modern, academic feel.
