Video Field Based Experience (FBE) Questionnaire (Part I)

Name: _____ District: _____

Video: _____ Grade Level: _____

Subject Observed: _____

Minutes Observed: _____

Teacher Observed (if applicable): _____

This questionnaire is to be used for Video Field Based Experience ONLY. For a definition of Video Field Base Experience please see the Field Based Experience directions.

1. Describe how the teacher in the video assessed students during the lesson.
2. Describe how the teacher transitioned between activities during the lesson?
3. Describe what the students were doing during the lesson. Describe how the teacher managed the classroom environment.
4. Describe how the teacher adapted the lesson for students with differing abilities. If you did not observe the teacher adapt the lesson, how would you accommodate students with differing abilities? Be specific.
