Assignment Writing Template

This template has been created in order to help students in writing their own papers. Students are free to use this file or create their own. However, they have the responsibility to check that their written assignments comply with this template. The page layout and styles are structured to write your assignment according to the conventions in the School of Education's *APA* (American Psychological Association) *Referencing Style* (Hoffman, 2005).

Papers are expected to be around 4 to 5 pages long with 1.5 line spacing, 12 font size, Times New Roman and 1 inch margin all around. Headings should be 14 font size, Arial and bold. All papers will be submitted in MS Word format and the instructor may or may not create *SafeAssign*—an anti-plagiarism tool within BB for the final project assignment.

The American Psychological Association (APA) citation style must be used for all written assignments. Further details about this citation style can be found in the APA Style Manual available here: <http://guides.lib.jjay.cuny.edu/c.php?g=288322&p=1922429>

INSTRUCTIONS:

- PAPERS SHOULD BE FOUR To FIVE PAGES LONG
- 1.5 LINE SPACING
- TIMES NEW ROMAN 12
- USE APA STYLE
- 1 INCH MARGIN ALL AROUND
- TRY TO SUMARIZE THE MAIN POINTS OF THE TWO READINGS AND SUPPORT YOUR ARGUEMENTs BY MAKING QUOTATIONS
- YOU SHOULD TAKE A LOOK AT THE POWERPOINT PRESENTATIONS THAT ARE AVAILABLE ON BLACKBOARD-COURSE MATERIALS
- For the second reaction paper, you need to cover the essential points of the two readings. Furthermore, the expectation is that you should utilize “Thick Description” and conceptualize it with the case of Rwanda and Peter Uvin’s ethnography. (Why conventional explanation do not work for the case of Rwanda and why we need further/better explanations?)
- In other words, **I want you to tell me what I have told you about structural violence and the case of Rwanda**
- Evaluation will be based on the number of essential points, which are both from the readings and the class discussions/lectures, you covered in your paper.
