

In-text Citation and the Works Cited Page

Examples of How to Write In-text Citations

As Worthen explains, “Over the past decade or two, college students have become far more casual in their interactions with faculty members” (Worthen 166).

Worthen includes the experience of Professor Angela Jackson-Brown, who believes it is essential, as a black woman professor, for her students to address her formally in the classroom in order to acknowledge her right to be there (Worthen 167).
