

Inferential Stats Project Submission Instructions

The data for this project was mailed to you as a separate file.

Submit this Project as a well-formatted Word document.

- Save your Word document as "IS Project" followed by your initials and your Excel document as "IS Project data" followed by your initials.
- Attach both your Word document and Excel data file as separate documents (no PDF or ZIP files) with your submission.

This project is worth 20 points towards your final grade. It is due on the last day of classes (August 11) and late submissions will be marked down 1 point for each day late. I will only accept late submissions until Tuesday, August 13.
