Gatsby Movie Comparison Essay

Assignment

Now that you have read the entire novel, and completed all the required quizzes and assignments, you are to view the modern movie adaptation, directed by Baz Luhrmann (2013). Before you begin the film, make sure that you have printed the following handouts (these will come in handy when you have to write your comparative essay).

Submission:

You will write a 750-word essay comparing the novel and the movie. You will not be required to submit the Venn diagram or Movie Chart, but you WILL be required to submit your Essay outline in addition to the formal essay you write.

All submissions must be in WORD format, so that comments and feedback can be made and sent back to you. You can write more than 750 words, but try to not exceed 1000 words. It is highly recommended that you view the rubric prior to writing the essay. Must be in MLA format.

**** PLEASE NOTE - NO Secondary sources are to be used when writing this (or any other) essay for this course. I am evaluating YOUR ability to analyze, not someone else's. ****
