To West Coast University Admissions,

It is my privilege to write this letter of recommendation for . I have had the pleasure of working with for 1 year at CHOC Children's Hospital. is an emergency department nurse at CHOC. is a recent West Coast University graduate, and as already made incredible leaps in his nursing career. I have observed abilities as a clinical nurse and patient advocate. He displays maturity beyond his years and I am impressed with each every patient encounter I observe.

exhibits a natural ability for educating and teaching. He has a passion for learning and gives back to the nursing profession in his various endeavors as a mentor and adult learner. He has a deep understanding of adult learning theory, is knowledgeable, and makes an effort to understand his audience so that teaching efforts are effective. He has very sound critical thinking principles and he uses those skills to promote the health and wellness of children.

has been heavily involved in emergency department team building. He is involved in the activities of the department, and is always willing to step up for challenges. He became a Certified Emergency Pediatric nurse this year and he has obtained advanced skill sets like the use of ultrasound guided peripheral intravenous catheter insertion. He has become a resource for the department and for his peers alike. He is a strong leader and willing co-worker to assist wherever he is needed.

I highly recommend for admission to the FNP program. I have confidence that he will be an asset and role model to the students of West Coast University.

Thank you
