Internships at Cargill:

Imagine an internship where you get the chance to apply knowledge gained in the classroom to a real-life environment and then multiply that tenfold. From day one, you will be an integral part of the team. Internships are 12 weeks long and we pride ourselves on having one of the most diverse internship programs in the industry. During the internship, you will tackle real challenges, cultivate your curiosity, have client exposure, enjoy both personal and team accomplishments and have your initiative acknowledged along the way. You will collaborate and build relationships with colleagues and clients who represent diverse work, culture and resolution styles. We look for people who want to grow, support, think and produce.

Account Manager Internship

As a Swine Account Manager Intern, you will gain hands-on experience and see what working at Cargill is really like. Our internship will give you a first-hand look at the challenges and opportunities of our business and work closely with our Key Account Managers and Technical Team. You will be exposed to many facets of our Cargill Premix and Nutrition business, the work flow, and given a chance to demonstrate the skills learned during your internship.

Internship Programming

- Cargill offers both housing assistance and relocation reimbursement to interns who qualify.
- Internships are paid and are at least 12 weeks in duration.
- Day-to-day transportation to and from work is the responsibility of the intern.
- Attend Intern Forum, an event held at Cargill headquarters in Minneapolis, MN, designed to give exposure to leadership and cross-functional interns from across the U.S.
- Interns who demonstrate exceptional performance and a curiosity to learn more may be offered an internship co-op or full-time position for the following year.
- As employees, interns receive access to Cargill volunteer and community outreach opportunities and paid time off to

participate in volunteer activities

Your Personal Board of Directors

We want you to excel at Cargill! We strongly believe that combining your interpersonal skills and curiosity with a top team of professionals just for you will be the winning combination to help you thrive. During the internship, you will have three allocated resources assigned to you: university recruiter, supervisor and mentor. In addition to these individuals, you will also expand your network across our global business as you build your own network of resources to help you in your career.

Professional Networks

We promote a culture that celebrates differences. This is a reflection of the clients we serve and generates intellectually diverse employees. Cargill's Business Resource Groups (BRGs) help us embrace our diversity, make our culture more inclusive and leverage our employees' unique talents and perspectives to benefit our organization and employees.

Our U.S. Business Resource Groups include:
