

Final Literature Review Paper Summary of Requirements

Due: 11pm Monday Dec 17th (via Moodle upload and hard copy submitted to Dr. Braun before end of day Thursday of that week)

Worth: 25% of final grade

Before writing your final literature review paper, please read over the requirements of the literature review paper (see document entitled “Assessment and Formatting Requirements”) as well as the document outlining the organization of the paper (see document entitled “Organization of Literature Review Paper”) – both documents are available on Moodle.

Upload a Word document with your final paper to Moodle-- by uploading your document, you will be submitting it to Turnitin. Any paper that includes plagiarized material will earn 0% (and the student may be reported to the Provost's Office for violation of academic integrity); please see syllabus for policy on academic integrity.

Note: Final literature review papers that focus on a different question or use different articles than that stated in "Component 2" (i.e., in the Annotated Bibliography) submission will not be accepted unless the student has received explicit permission from the instructor to do so.

This assignment is due via Moodle upload before **11pm Monday Dec 17th**. Late papers will only be accepted with PRIOR permission of the instructor and grades on late submissions will be **reduced by 5% per 24-hour period late (up to a maximum of 7 days late – after which time papers will no longer be accepted)**.

Please also give Dr. Braun a printed copy of your paper (not the pdfs) before end of day Thursday of that week –you can drop the paper off at her office G267 (put under her office door) or in her mailbox in the SSHS Unit Office in ASB431
