

## Peregrine Program Assessment Info

The Assessment in this course is provided by Peregrine Academic Services. The exam should take 60 to 90 minutes to complete, though you will have up to three minutes per question. You are permitted two 15minute breaks.

Once you click the Exam link inside the course, you will be taken directly to the Peregrine login screen. You will enter your First Name, Last Name, and 7 Digit Student ID (If you do not know your id, you can obtain this in Elion). Then, select your Program and degree Location from the drop-down lists. Click **Confirm** to continue.

Depending upon your specific exam, it may take you 60-90 minutes to complete. Be sure to allow yourself enough time before proceeding with the exam.

Are You Ready?

Did you fully read and understand the information regarding the exam process?

☐ I have read and understand the information and I am ready to begin my assessment.

You are now ready to begin the exam. Your 48-hour access time commences after you click **Begin Exam**. You have three minutes to select the question answer and click **Record Answer**. If you do not select the answer within three minutes your answer will not be recorded and you will automatically be advanced to the next question. Once you have completed a question, you cannot go back.

PLEASE NOTE: Once you begin, if you leave the assessment for any reason, it will restart at the NEXT question and not at the current question you are on. These measures are in place to protect the integrity of the assessment. If you accidentally get disconnected from your assessment, you can re-access it by using the link that was included in your registration e-mail.

**Begin Exam**

As you get within 30 minutes of the end of the exam, the countdown timer will turn red as a warning indicator.

**0:24** Time

If you experience technical issues during the exam you can attempt to log back in two more times within 48 hours.

You are allowed **two 15-minute break(s)** during the assessment.

All questions are timed. You will have **3.0 minutes** to complete each question.

**You cannot go back and review previously answered/unanswered questions.**

You have **48 hours** to complete the assessment and only **3 login attempts** are allowed.

During the exam, you can select to take a 15 minute break after the current question.

**Record Answer**

You must select an answer and press "Record Answer" for your answer to be recorded. DO NOT let the time expire for the question you are on. If this happens before you answer a question, the exam will automatically advance to the next question and you will not get credit for the question you were on.

☐ Take a 15 minute break AFTER you answer this question

You are allowed two 15-minute breaks during the exam. When you are ready to continue click **Continue with Exam**.

Progress:  Question 3 of 70

14:54 Time

You are now on a 15 minute break. This is the maximum amount of time. You can resume the exam at any time by selecting "Continue with Exam". The exam will automatically continue from the point where you left off when you recorded your response.

If you allow the 15 minutes to run out, the exam will automatically advance to the next question.
