MINUTES

I. Researching:

Conversation started at 6:05 - confirmed topic

-Social network instead of a physical location (facebook, groupme, etc)

-Finding more information about how to establish the club.

-Learn/ look at other clubs and organizations to see what helps them succeed and copy that

-Finding if there are any competitors.

-Had a meeting with the CGE and decided the best way to start the club would be and see if their ideas are similar to ours

II. Comparing

- What will set us apart and make us unique? Our club is open to everyone.
- Anyone can volunteer since we are not affiliated with any frats or sororities.

III. Activities

Temporary activities

-Food drive

-Clothing drive

Primary activities
