

Midterm Reflection Paper
Due February 3, 2020

Each student will be required to complete a midterm reflection paper. These papers will be due week 5 (February 3). The paper will represent 50 points of your overall course grade.

The purpose of this paper is for you to reflect on the readings and discussions from the previous 4 weeks and class sessions in order to help solidify concepts, principles and frameworks for you. Papers are to be 3 pages, double-spaced. Shorter papers will have points deducted. Please include a cover sheet (cover does not count toward page count). Use 1" margins all around and APA font styling. For this paper, I want you to pick 3 topics that we have covered and that have interested you and are applicable to your work. For each topic you should address questions such as:

- What did you LEARN?
- What surprised you?
- How has your thinking about the topics discussed changed? Why?
- How does this topic/concept apply to your work situation?
- What would you like to know more about?
- What lingering questions do you still have?
