Module 3 Chapter 2 Lesson 2 Assignment Instructions: Setting Novel Quotations

What am I doing?

For this assignment, you must choose three quotations from your novel. Each quotation should represent an important setting, including time, place and mood, that is portrayed in the novel. Then, you must create or find a picture or photograph which depicts each quotation you have chosen.

Remember that the pictures or photographs you choose must represent more than just physical space; they need to match the moods and, if appropriate, the times depicted in the quotations.

You may submit the quotations and pictures/photographs in Word documents or as Powerpoint slides.

The final portion of the assignment is a short piece of writing (1 - 2 paragraphs; about 150 - 200 words) in which you describe the setting of the novel and explain its importance or connection to the novel's

Be sure to indicate if there is a shift in the setting (either physically or in terms of mood). Be careful not to simply write a list of locations; you should be writing literary analysis. That means you must interpret the importance of setting and, ideally, use quotations from the novel to support your interpretation.

Why am I doing it?

In this activity you will demonstrate your ability to recognize the importance of setting in a novel. You will also demonstrate your ability to recognize mood created by word choices and connotation. You will present your analysis in a creative way, pairing quotations with images to demonstrate your understanding of how the written word can be "translated" into visual representations. Finally, you will write a short piece (1 - 2 paragraphs) in which you share your thoughts about the importance of theme in the text, demonstrating your skills in literary analysis.

How will it be marked?

This assignment will be marked on the following criteria:

You have:

- chosen quotations which accurately capture the important settings portrayed in the text;
- paired each quotation with a picture or photograph which depicts the time and place of the setting you have identified in the quotation;
- chosen each picture or photograph to demonstrate your understanding of the mood created by the author;
- written a high-quality paragraph which explains the importance of setting.
