The sites used provide recorded proof concerning the challenges faced by the LGBT society highlighted in the paper. Additionally, the published materials have been utilized to support and create awareness concerning the shortcomings to advocate for the LGBT society, thus adding legitimacy to this writing. Apart from supporting the ideas included in this paper, the sites have been used to notify the reader about the depth and scope of research, enabling them to refer to the original sites independently if needed. This approach would allow the reader to

clarify the intention since the interpretation may differ from the intended one. Therefore the sites would provide clarity in this instance.
