

Introduction and Client System

Due Feb 21 by 11:59pm **Points** 0 **Submitting** a text entry box or a file upload

Available Feb 3 at 12pm - Feb 21 at 11:59pm 19 days

This assignment was locked Feb 21 at 11:59pm.

Introduction

Describe the purpose and rationale for the paper. Briefly state the main issue/problem that is discussed in the paper. Discuss the prevalence of the problem at the national data, state, and even local data. For example, if you are working with a client who is impacted by the Covid-19, describe the prevalence of the problem at the national, state, and even local level. Discuss the demographics based on race, gender, socio-economic status, education, etc. Describe the significance of the topic examined in social work practice and the intent of the assignment. **Should not be more than 2-3 pages.**

Describe the client system (e.g., individual, family, other small groups, larger group, team, program, agency, organization or community) **and the client's situation** that is the reason for your intervention. It can be helpful if you situate yourself in the situation describing how are you involved in the situation.

Included in this section should be: **1)** Client identifying information; **2)** Presenting problem; **3)** Reason for the referral; **4)** Client's perception of the problem; **5)** Social workers perception; **6)** Contributing factors that led to the problem; **7)** Clients resources and strengths.

In general, this section should take **no more than two to three pages of the paper.**

Note: This section is worth 15 points but will not be graded until the final paper is submitted

HBSE Section _ DUE TONIGHT 3/21/ _ SMITH ✓

Due Mar 6 by 11:59pm **Points** 0 **Submitting** a text entry box or a file upload

Available Feb 3 at 12am - Mar 21 at 11:59pm about 2 months

This assignment was locked Mar 21 at 11:59pm.

5. Must use the theory as a lens to conduct an assessment of your client system.
6. Must discuss the strengths and limitations of the theory.
7. Include any other discussion, information, or analysis that may be relevant.

Points: 10 (Final paper)

Social Policy Smith Due 3/21/2021 *

Due Mar 21 by 11:59pm **Points** 0 **Submitting** a text entry box or a file upload

Attempts 0 **Allowed Attempts** 3

Available Mar 11 at 12am - Mar 21 at 11:59pm 11 days

This assignment was locked Mar 21 at 11:59pm.

In this section of your paper (Competency 5), you must select at least 1 social welfare policy relevant to the practice situation, which refer to State and Federal policies, not Agency policies. Make sure that you cite the legislation correctly . Here is what is expected:

1. Provide a rationale for your policy selection .
2. Apply each policy you discussed to your client situation. For example, is you are examining domestic violence against women, you must look at legislation that results in laws, programs, and services.
3. Analyze in detail, providing evidence-based knowledge about the policy and its effectiveness.
5. Although you are not expected to conduct a full policy analysis, you should draw on one of the policy analysis models that you are familiar with and reference the model fully.
6. Evaluate the strengths and limitations of current knowledge and the resources available with regard to the selected policy.
7. Include any other discussion, information, or analysis that you think is relevant.

Research & Evaluation

Due Mar 21 by 11:59pm **Points** 0 **Submitting** a text entry box or a file upload

Available Feb 2 at 12am - Mar 21 at 11:59pm about 2 months

This assignment was locked Mar 21 at 11:59pm.

In this section of the paper, you should begin by discussing **Competency 4: Engage In Practice Informed Research and Research-Informed Practice.**

- You should include an introduction to this section of the paper and discuss why research is an integral component of social work practice.
 - Provide a discussion of practice informed vs research-informed.
 - Provide a brief discussion of methods to disseminate research findings
 - Discuss social workers ethical responsibilities to evaluating practice
 - Select and discuss an evaluation relevant to the practice situation and the intervention employed.
 - **In this section of the paper, you are to evaluate your intervention with the client system.**
 - Use the evidence-based approach relevant to the practice situation. Conduct a literature review, meta-analysis, or systematic review of any issues relating to their case, but preferably those related to outcome effectiveness of the practice interventions.
 - Be sure to include well referenced and evidence-based examples of how research knowledge impacts practice. Your discussion of research must link well to the practice situation.
 - Provide a rationale for your evaluation selection. Discuss your decision-making process.
 - Include a carefully referenced comprehensive range of literature sources, including books, peer-reviewed journal articles, research studies, government documents, reports and data; and websites. There should be an emphasis on evidence-based knowledge.
 - Evaluate the strengths and limitations of current knowledge and professional skills, and the resources available.
 - Include any other discussion or information or analysis that you think is relevant
- Points:10
