Score: **80.00%**

Your total score of **80.00%** is at the **88th** percentile of all other exam scores completed by students in the **US** region(s). This means that your exam total score was equal to or higher than **88%** of other students who completed the same exam in the **US** region(s). For information related to how the score is used by your institution for grading purposes and/or academic credit, please refer to your course syllabus or instructions from your institution.

**GLOBAL
CAMPUS**

(%) Score Relative Interpretation of Competency

80-100	Very High
70-79	High
60-69	Above Average
40-59	Average
30-39	Below Average
20-29	Low
0-19	Very Low

The results from the CPC-based COMP exam are relative, meaning they must be taken in context with all student results. The scores obtained on the exam do not correspond directly to a traditional 100 point grading scale commonly used in academics. Instead, the scores are relative. The following table can be used to help you to understand how your scores relate to the averages.

Business Ethics

Corporate Social Responsibility	1/1 = 100.00
Discrimination	3/3 = 100.00
