ASSIGNMENT – TROY “LIKES” TONYA

Read the case history on pages 172-173 in your text, then consider and answer the following questions in essay format:

1. What are some risk factors of being sexually harassed? Is Tonya displaying classic risk factors associated with being sexually harassed?
2. What should the school district have done differently in Tonya’s case? How can school districts protect students from sexual harassment and dating violence? What intervention methods could the school system have utilized in this particular case?
3. What are some characteristics of sexual harassment offenders? What type of punishment should Troy receive for his actions against Tonya? Why?
4. In your opinion, should school districts include additional classes or information on sexual harassment, sexual assault, dating violence, and stalking? Why or why not?
5. What are some long-term consequences of peer sexual harassment and sexual assault? What are some early signs that Troy is not “bullying” but rather committing sexual harassment against Tonya?

YOUR ANSWER SHOULD INCLUDE AT LEAST FOUR-FIVE FULL PARAGRAPHS AND MUST APPROPRIATELY FOLLOW APA STYLE FORMATTING.
