- Rubric Detail

Criteria	Levels of Achievement		
	Poor/missing	Acceptable/average	Above average/excellent
Writing quality Weight 35.00%	50.00 % Submission shows poor writing skills, or lack of editing, and/or less than the required number of sources are listed or cited, and/or the total length of the paper is <75% of requirement, and or there are many grammar and punctuation errors. The paper shows obvious lack of effort. Turnitin shows significant similarity to other works that are not properly quoted and cited.	85.00 % Submission shows less than college level writing skills, and/or the paper does not flow evenly, and/or the paper does not properly address the topic, and/or the sources are not properly cited in the text, and/or there are several grammar and punctuation errors, and/or the paper was less than the required minimum length. There was evidence of acceptable effort.	100.00 % Submission shows college level writing skills, and/or the paper flows evenly and is on topic, and/or there are scholarly sources properly cited, and/or there are few grammar and punctuation errors, and/or the paper is at least the minimum required length. There was evidence of above average effort and/or understanding.
Length Weight 35.00%	50.00 % Less than 90% of the required length.	88.00 % Within 10% of the required length.	100.00 % Over the required minimum length
Grammar Weight 25.00%	50.00 % Submission shows poor writing skills, or lack of editing, and/or less than the required number of sources are listed or cited, and/or the total length of the paper is <75% of requirement, and or there are many grammar and punctuation errors. The paper shows obvious lack of effort.
